The Future of Indian Stock Market

## Indian Stock Market

# SMART TRADE SOLUTIONS

A stock market, equity market, or share market is the aggregation of buyers and sellers of stocks (also called shares), which represent ownership claims on businesses; these may include *securities* listed on a public stock exchange, as well as stock that is only traded privately, such as shares of private companies which are sold to investors through equity crowd funding platforms. Investment is usually made with an investment strategy in mind.
